PURPOSE

This document is designed to explain which functions have been delegated and to whom for SIR GRAHAM BALFOUR SCHOOL as a member of INSIGHT MULTI-ACADEMY TRUST.

It is a simple but systematic way of ensuring members, Trustees, local governing bodies, the Chief Executive and academy headteachers are clear about who has responsibility for making which decisions in the Trust.

The delegated powers are broken down into different levels in line with the Trust's principles of governance, leadership and operation. The delegated autonomy for individual academies is aligned with the need for the Trust to fulfil its corporate responsibilities and accountabilities to the Department for Education (DfE), Education and Skills Agency (ESFA), the Charity Commission, HMRC and Companies House.

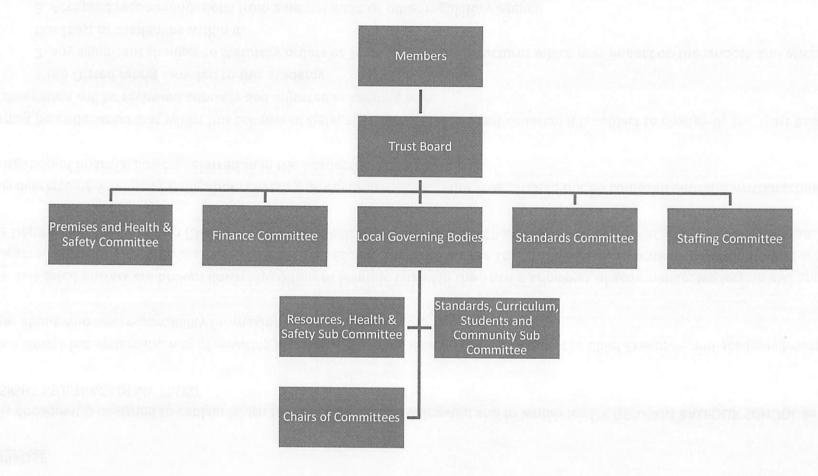

This overarching Scheme of Delegation, covering all decision making in the Trust, should not be confused with the written scheme of delegation of financial powers referred to in the Academies Trust Handbook.

It must be understood that whilst this Scheme of Delegation details the current situation it is subject to change by the Trust Board. The limits of delegation will be reviewed annually and adjusted in keeping with

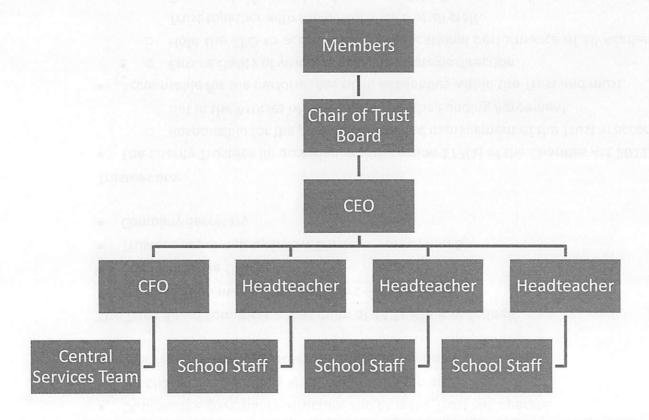

- 1.the Ofsted rating awarded to this academy
- 2. any significant changes to statutory orders or Trust governance structures which may impact on the smooth and effective running of the Trust or academies within it.
- 3. Accepted recommendations from external audit or other regulatory agency

GOVERNANCE STRUCTURE

The diagrams below show the structures on which this Scheme of Delegation is based.

SENIOR MANAGEMENT STRUCTURE

The Board of Trustees of the Insight Multi-Academy Trust (IMAT) delegate responsibility for delivery of their vision and strategy to the Chief Executive Officer (CEO). The MAT Board holds the CEO to account for the performance of the Trust, including the performance of the academies therein.

The CEO in turn holds the academy headteachers to account by line managing them.

ROLES

Members:

Members have agreed the Articles of Association which:

- Outlines the governance structure and how the Trust will operate.
- Describes how Members are recruited and replaced.
- Specifies how many Trustees Members can appoint to the Board.

Trust Board:

The Trust Board comprises a maximum of 14 Trustees as follows:

- Trustees appointed by the Members maximum 7
- Chief Executive Officer
- Trustees appointed by fellow Trustees maximum 5
- Company Secretary

Trustees:

Trustees are:

- The Charity Trustees (in accordance with section 177(1) of the Charities Act 2011.
 - Responsible for the general control and management of the Trust in accordance with the provisions set out in the Articles of Association and the Funding Agreement.
- Accountable for the performance of all Academies within the Trust and must:
 - o Ensure clarity of vision, ethos, and strategic direction.
 - o Hold the CEO to account for the educational performance of all Academies and students within the Trust together with the performance of all staff.
 - Oversee the financial performance of the Trust and make sure its money is well spent.
- Responsible for Performance Management of the CEO

• Permitted to exercise all the powers of the Academy Trust.

Premises and Health & Safety, Finance, Standards and Staffing Committees:

These committees each of which comprises:

- 3 appointed by the Trust Board
- Chief Executive Officer
- 2 appointed by the LGBs of the member institutions

have responsibilities as laid out in their Terms of Reference.

Whilst this document identifies four committees at present, it is intended to operate with only two with one body covering Finance and Premises and Health & Safety and the other covering Standards and Staffing.

This will be reviewed when a further institution joins the Insight Multi-Academy Trust.

Local Governing Body (LGB):

The LGB which comprises 9 members:

- Academy Headteacher
- 2 appointed by the Trust Board
- 1 Teacher representative
- 1 Non-Teaching Staff representative
- 2 Parents representatives
- 2 Co-Opted by the non Co-Opted members.

has responsibilities delegated to it, as detailed in this Scheme of Delegation.

Chief Executive Officer:

The CEO, who is also the Trust's Accounting Officer, has responsibility for operation of the Trust including:

- Performance of the Academies within the Trust
- Performance Management of each Academy Headteacher (usually with involvement of the LGB Chair).
- Operation of the Academy Trust's financial responsibilities ensuring the Trust is run with financial effectiveness and stability and securing value for money.
- Leading the team of Trust Officers (colleagues who offer support to Trust-wide management).

Academy Headteacher:

The Academy Headteacher is responsible for the day to day management and performance of their Academy. They are managed by the CEO, to whom they report. They also report to their LGB on matters which have been delegated to them.

The different levels of delegation are listed below:

•	Recommend (R)	propose to the decision-making body the course(s) of action that they might consider
•	Implement (I)	this body or person is responsible and held accountable for implementing the approved decision
•	Approve (A)	make the final decision in respect of this item
•	Monitor and Review (M)	this body or person is responsible for monitoring the progress of the approved decision/duty

Where R,I,A,M appears in more than one column on a single line the responsibilities could either be shared, joint, with the higher delegation having the ultimate responsibility, or each delegation may have responsibility for its own area.
