Dear Applicant

Thank you for requesting details of the post of Lead Teacher of Business Studies. I very much hope that after reading the enclosed information, you wish to apply.

The successful candidate will join a school committed to continuous improvement and to providing a vibrant educational experience. We welcome change and view new initiatives as opportunities to further our aims. We share good practice systematically and use a highly structured CPD programme to continually develop staff.

We are looking for forward thinking, inspirational individuals prepared to play a full and active role in our further development. Should you wish to join our team, I very much look forward to receiving your application.

Welcome to Sir Graham Balfour School which OFSTED in October 2024 found to be a 'Good' school.

Our vision is summed up in our mission statement – 'Learning, Working and Succeeding Together'

Our vision is summed up in our mission statement of **"Learning, Working and Succeeding Together"**. We believe that **the best possible care we can give to our students will enable them to leave school with the very best GCSE and A level grades possible**. This sits behind every objective in the School Improvement Plan. The "together" of our mission statement is at the heart of our approach. We will work together with parents and students in a collaborative and cooperative way as we aim for academic and personal excellence for each and every child in our care. We aim for our students to communicate clearly with others; to be compassionate and caring; to make responsible choices; to be ambitious; to demonstrate perseverance and resilience in the harder moments; to show pride in the successes they achieve and to be proud of themselves during their time at Sir Graham Balfour School.

We passionately believe that the circumstances of birth or upbringing should not be the key determining factors to success in life and we are **relentless in our ambition for all children to achieve as well as possible at Sir Graham Balfour School**, regardless of their sexual orientation, socio-economic, ethnic or gender status.

Our Values

We know that staff and parents will not always be there, at the point where critical decisions need to be made. This is why we are committed to **values based learning**; *rules* prescribe a set of appropriate/inappropriate behaviours which are specific to given contexts, whereas *values* provide a set of aspirational guidelines within which children must choose the right behaviour or action for the vast array of contexts they will be faced with in life. These are the values which we believe will help our students to become excellent citizens of Stafford and beyond:

- Commitment to excellence
- Ambition for ourselves and others
- Responsibility for ourselves and others
- Care for the local and wider Community
- Respect, Kindness and Compassion for ourselves and others
- Perseverance and resilience
- Pride in working hard and the success it brings

Our values drive and shape every aspect of school life, taking the place of school rules. They seek to reinforce the development of the whole person, in addition to the academic. They are values which will, if routinely exemplified and embedded, give our young people all the skills and characteristics necessary to become outstanding citizens of the future.

Commitment to Safeguarding

The Insight MAT and Sir Graham Balfour School recognise their legal duty under s175 Education Act 2002 and the 1989 and 2004 Children Acts. We take seriously our responsibilities to protect and safeguard the interests of all students. We recognise that effective child protection requires sound procedures, good inter-agency co-operation and a workforce that is competent and confident in responding to child protection situations.

Our Safeguarding Policy aims to provide a framework which ensures that all our practice in regard to safeguarding children is consistent with the stated values and procedures that underpin all work with children and young people. Statutory guidance defines a child as anyone who has not yet reached their 18th Birthday.

The Policy has regard to the statutory guidance 'Working Together to Safeguard Children' 2018 and 'Keeping Children Safe in Education' 2024 (KCSIE). The Policy is in keeping with Staffordshire Safeguarding Children Board's (SSCB) policies and procedures and their training strategy and reflects what the SSCB considers to be safe and professional practice. Child protection has to be considered within professionals' wider "safeguarding" responsibilities that include a duty to co-operate under the Children Act 2004 and takes account of the need for children to 'be healthy' and 'stay safe'.

Commitment to Safeguarding

Our Safeguarding Policy also seeks to make the professional responsibilities clear to all staff (teaching and non-teaching, including temporary and supply), governors, trustees and volunteers to ensure that statutory and other duties are met. All staff and volunteers need to have read and be familiar with our Safeguarding Policy.

The Insight MAT Board and the Local Academy Committee of each academy within it are committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to demonstrate this commitment in every aspect of their work.

The appointment of all employees will be made on merit and in accordance with the provisions of Employment Law, Keeping Children Safe in Education and the MAT's Equality policy. We confirm our commitment to equality of opportunity in all areas of our work. All individuals will be treated in a fair and equal manner and in accordance with the law regardless of gender, marital status, race, religion, colour, age, disability or sexual orientation
