

Sir Graham Balfour - Homework Timetable 2025-26

Year 8 (Averages to 3hrs per week)

To help you manage your workload we have allocated slots and times each night, this is the day that homework will be set, and **the expectation is that you complete the said homework on the same night**. The homework timetable stipulates no more than 1 hour a night. If you stick to this, you will have no homework over the weekend. Deadlines are stated on the work when set but will be given at least two days to complete.
