

Sir Graham Balfour – Homework Timetable 2026-27

Year 9 (Averages at 4hrs 40mins per week over the fortnight)

To help you manage your workload we have allocated slots and times each night, this is the day that homework will be set, and **the expectation is that you complete the said homework on the same night**. The homework timetable stipulates no more than 2 hours of homework a night. If you stick to this, you will have no homework over the weekend. Deadlines are stated on the work when set but will be given at least two days to complete.
